

Vice President of Development and the Holland Home Foundation Holland Home and Faith Hospice, Grand Rapids, Michigan

Position Summary

As a faith-based, mission-driven organization, Holland Home is seeking a Vice President of Development and the Holland Home Foundation who is a dynamic and compassionate leader with strong Christian values, a mission focus, and proven interpersonal, relationship-building skills.

This key leader promotes Biblical stewardship and provides overall leadership to the development efforts for Holland Home and Faith Hospice. Primary responsibilities are to plan, organize, supervise and implement the fund raising and development programs to raise required non-operating funds to support and enhance the mission of Holland Home and Faith Hospice.

Desired Skills & Experience

- Bachelor's degree in management, communications, public relations, human services or a related field of study; master's degree and/or professional certification is strongly preferred (e.g. Certified Fund-Raising Executive)
- Five or more years of fund-raising experience with preference given to experience in a development management capacity
- Demonstrated skill and success in fund raising
- Strong verbal and written communication skills, organizational and leadership skills and demonstrated ability to motivate, manage and inspire people
- Demonstrated skill and success in fund raising and planned giving

About Christian Living Services/Holland Home

As Michigan's largest non-profit provider of senior services, Christian Living Services/Holland Home is comprised of 8 complementary organizations that serve the needs of seniors. Our reputation for high quality services and long-term stability in the senior retirement living and health care field is unsurpassed. Our roots as Holland Home started in 1892 providing independent, assisted, and skilled nursing living options for seniors. We have grown as the needs of those we serve have grown. Over the years, Holland Home has continued to innovate and expand its residential and community-based services to improve the living and care of older adults. Today, Christian Living Services is one of Michigan's largest nonprofit providers of senior services. Continuing our dedication to our community, we employ over 1,500 people and care for over 5,000 souls daily, living our mission to fulfill God's calling to serve others.

If you are passionate about quality senior living and desire to be a vital part of leading Holland Home's Development Team, please consider applying in confidence on our website at www.hollandhome.org
